

DISTRICT PROCEDURES FOR WINTER WEATHER CONDITIONS

Weather conditions can change rapidly in the winter months. When weather is potentially threatening, Alton administrators constantly monitor forecasts and the condition of roads, parking lots and sidewalks.

With this in mind, we would like to provide parents with information on district procedures in the event of school closures or early dismissals due to inclement weather.

EARLY DISMISSALS

In the event that local weather conditions deteriorate rapidly during the school day, the District may be forced to dismiss early in the best interest of the safety of our children. Early dismissal notification procedures are as follows:

- *Parents receive phone call from the automatic dialer.**
- *Email notifications are also sent.**
- *Notification will be posted on the district website (altonschools.org).**

Please have a plan in place for your child in the event school closes early. Because winter weather is difficult to forecast, you may also pick up your child earlier than the planned dismissal time if you believe conditions will deteriorate.

In the event of early dismissal, schools will dismiss under the following schedule:

As a final reminder, please contact your child's school office if you need to update contact information such as phone numbers, emergency contacts or email addresses. Having the correct contact information on file will ensure you receive prompt notification for these events.

Thank you!
